Specialist Dietitian

Langbaurgh House - Specialist Weight Management (South Tees Hospitals NHS Foundation Trust)
Salary: £26,302 - £35,225 pro-rata Hours Per Week: 7.5 hours per week Job Type: Fixed term
Reference: 328-CD-0066 Closing Date: 24 Jun 2016

An exciting opportunity has arisen for a part time dietitian to join the Specialist Weight Management Service (SWMS) and increase their skills and experience in this rapidly growing specialty. The SWMS is a Tier 3 MDT service consisting of Consultant Endocrinologists, a GP with Specialist Interest, Clinical Psychologists, Dietitians, Physiotherapists and Health Trainers. Since its beginning approximately 10 years ago the SWMS has grown quickly and now provides a Tier 3 service to the areas of Hartlepool, Stockton-On-Tees, Middlesbrough, Redcar & Cleveland, Whitby, Hambleton and Richmondshire. This new post comes as a result of additional CCG funding due to increased referrals to the SWMS which is a testament to the success and popularity of the service.

The successful applicant will be responsible for running the SWMS dietetic service at one of the community venues and may also be required to provide cover at other venues. The successful applicant will have previous experience of working in the NHS as a dietitian and possess good written and verbal communication skills and be able to demonstrate excellent team working skills. Applicants should have all necessary qualifications and registration with the HCPC.

Previous experience of working with obese patients and/or in the area of weight management will be advantageous.

For informal enquiries please contact Denise Whatmore (Service Administrator) on 01287 284479 or Jordan Barnard (SWMS Clinical Lead) on 01287 284481.
Occupational Therapist
Redcar - Integrated Therapies (South Tees Hospitals NHS Foundation Trust)
Salary: £21,909 - £28,462 Per Annum Hours Per Week: 37.5 Hours per week Job Type: Permanent Reference: 328-CD-0062 Closing Date: 01 Jul 2016 Interview Date: 11/07/2016

Excellent opportunities for anyone interested and committed to rehabilitation in the community.

South Tees Clinical Commissioning Group and South Tees Hospitals NHS Trust Integrated Therapies are working together to improve community rehabilitation services, ensuring that the local population across Middlesbrough, Redcar and Cleveland receive therapy close to home. As a result, there has been significant investment in staffing and training, meaning that services can be delivered by the right therapist in the right place at the right time.

We are looking for enthusiastic therapists to join our community teams to develop the rehabilitation service. Come and be at the start of something big, where ‘Independence Matters’ and your skills are valued.

We are currently recruiting to static Band 5 OT posts for our integrated teams. These posts are suitable for Band 5 OTs who have post-graduate experience in a range of areas and are looking to develop a specialist interest in community practice.

Inpatient: Working in Primary Care Hospitals on a 7 day rolling rota, you will provide rehabilitation to people with a wide range of conditions, following appropriate patients out into the community and linking closely with domiciliary rehab and reablement teams.

Domiciliary: Working in the community, you will provide rehabilitation in patients’ own homes and group settings, working closely with statutory and voluntary services to promote and maintain independence. You will also contribute to the rapid response admission avoidance service, which covers 7 days a week 0800-2000.

As services are delivered 7 days a week and over a wide geographical area, there is the expectation that you will have an ability to work flexibly across 7 days a week as required and travel independently throughout the localities.

For further information, please contact Karen Crabtree (Occupational Therapy Lead) on telephone number 07500 785936 or via email at karen.crabtree@nhs.net
Specialist Physiotherapy

Middlesbrough - Physiotherapy (South Tees Hospitals NHS Foundation Trust)
Salary: £26,302 - £35,225 Pro Rata Hours Per Week: 30 Hours per week Job Type: Permanent
Reference: 328-CD-0060 Closing Date: 01 Jul 2016 Interview Date: 15/07/2016

South Tees Hospital Trust is one of the largest teaching hospital trusts in the country and we have physiotherapists working in all major specialties within the hospital.

An exciting opportunity has arisen to be part of the Therapy team providing input onto the elderly care wards within James Cook University Hospital. The post holder will be the static senior physio within the team supported by rotational band 6 & 5 physios and working closely with the occupational therapists within the same team. The team are also currently supporting a new pilot, The Rapid Access Frailty Assessment (RAFA) unit within the Trust as part of a national Acute frailty network project for which South Tees is one of only 10 participating Trusts in the country. Therefore this is an exciting opportunity for someone to be part of a national project ensuring frail older patients receive a comprehensive Geriatric assessment on admission to hospital with the aim of enabling discharge home within 48 hours.

Applications are invited from experienced Physiotherapists with an interest and enthusiasm for working in a fast paced acute elderly care Therapy service. Please also be aware that this post does not include on-call duties.

Successful applicants will be part of the wider Integrated Therapy service across South Tees and Hambleton and Richmondshire and will receive a comprehensive induction programme. Staff are also encouraged and supported in their continuous professional development through in-service training, workshops, and clinical supervision, both operationally and professionally.

If you would like more information please contact Sarah Watson Therapy Manager, The James Cook University Hospital Tel: 01642 854791.
Physiotherapist

Middlesbrough - Physiotherapy (South Tees Hospitals NHS Foundation Trust)

Salary: £21,909 - £28,462 Pro Rata  Hours Per Week: 37.5 Hours per week  Job Type: Fixed term
Reference: 328-CD-0085  Closing Date: 03 Jul 2016

We are seeking to recruit a number of temporary band 5 physiotherapists to cover maternity leave until March 2017. Applications are invited from enthusiastic and well-motivated physiotherapists in a number of specialties which may include some of the following:

Support is provided during each rotation from Senior Specialists and Operational Leaders and preceptorship is available for those newly registered with the HCPC as a new entrant.

We have a comprehensive in-service training programme and staff are encouraged and supported in their continuous professional development

South Tees is one of the largest teaching hospital trusts in the country. We have physiotherapists working in all major specialties within the hospital and in the community setting.

These posts are also suitable for newly qualified physiotherapists with an interest in consolidating their knowledge enabling them to build on their core skills developed as a student.

If you would like more information or an informal chat please contact Mrs Ruth Mhlanga, Service Lead on pager 07699620334
Paediatric Audiologist/ Clinical Scientist

Middlesbrough - Audiology (South Tees Hospitals NHS Foundation Trust)
Salary: £31,383 - £41,373 Per Annum Hours Per Week: 37.5 Hours per week Job Type: Permanent
Reference: 328-PC-0031 Closing Date: 27 Jun 2016 Interview Date: 05/07/2016

Paediatric Audiologist / Clinical Scientist (band 7)

Looking for your next career move?

We are looking for an experienced and enthusiastic paediatric Audiologist to join our busy team. This individual will also be the Deputy Clinical Lead for Paediatric Audiology, so the role is ideal for someone who is keen to develop their leadership skills and have some management responsibility, maybe as a stepping stone to more senior management roles or for those wishing to have a mix of management and clinical responsibilities.

Our paediatric audiology services are comprehensive and audiology led. We carry out over 3,800 paediatric appointments each year. We provide a routine and specialist service, from tier 2 community clinics and 8 month targeted screening, to assessment of children with complex needs, management of tinnitus in children and management of a number of children with ANSD. Paediatric habilitation is provided to all ages from newborn babies through to transition to the adult service. We are fortunate to have our clinics well equipped with all services being provided in soundproof facilities with AC / BC / insert VRA, and transient otoacoustic emissions as a minimum. We also have a range of more specialist equipment to include the HearLab aided cortical system and video VRA. We have a particular emphasis on quality with regular peer review and patient surveys. Current research interests include management of unilateral hearing loss.

We need someone who is able to step into a varied clinical role carrying out the full range of paediatric work including ABR, diagnosis of hearing loss, habilitation and assessment. However, we can offer support to develop leadership and management skills if this required. You will work closely with the Clinical Lead for Paediatric Audiology, and be part of the Leadership Team for the service so can get involved in other areas across Audiology. You will line manage a small team of staff and have responsibility for one or more sub-sections of the service, as well as opportunities to get involved in audit and research.

South Tees Audiology is a large service with over 60 staff, who are proud to deliver high quality, innovative and comprehensive NHS Audiology care. The main purpose-built department is located in The James Cook University Hospital in Middlesbrough with additional outreach services across North Yorkshire, Teesside and County Durham. The service as a whole has over 45,000 patient contacts each year. South Tees Hospitals NHS Foundation Trust runs The James Cook University Hospital in Middlesbrough and the Friarage Hospital in Northallerton, providing district general hospital services for the local population in addition to a range of specialist regional services to 1.5 million people.

For further information or to discuss this post informally, please contact Helen Martin (Head of Audiology, tel. 01642 854 052, Helen.Martin@stees.nhs.uk)
Senior Rotational Physiotherapist

Middlesbrough - Physiotherapy (South Tees Hospitals NHS Foundation Trust)

Salary: £26,302 - £35,225 Per Annum Hours Per Week: 37.5 Hours per week Job Type: Permanent
Reference: 328-CD-0084 Closing Date: 05 Jul 2016 Interview Date: 21/07/2016

An exciting opportunity has arisen to join our specialist musculoskeletal team. We are looking to recruit an experienced Physiotherapist to join our specialist musculoskeletal rotations.

Rotations are currently nine months in duration and provide experience across the following areas -
* Orthopaedics - James Cook University Hospital
* Orthopaedics - Friarage Hospital
* Hands
* Musculoskeletal Outpatients including Treatment Unit & Gym
* Pain Clinic
* Community Out-patient venues including One Life, Guisbrough Primary Care Hospital, East Cleveland Primary Care Hospital, Redcar Primary Care Hospital & Friarage Hospital

Senior specialists, ESPs, clinical and operational leaders are always available to provide clinical support and supervision for each rotation. As a Senior Physiotherapist you will be encouraged to develop your skills and to supervise assistants and more junior staff and be involved in the clinical education of students.

We have a comprehensive In-Service Training Programme and staff are encouraged and supported in their continuous professional development.

This post is suitable for Physiotherapists with significant postgraduate experience and an interest in musculoskeletal physiotherapy enabling them to build on their core skills developed as a physiotherapist.

For more information please contact Mrs. Julie Irwin Clinical Lead Community Out-patient Physiotherapy on 01642 737799
Estates & Ancillary

Domestic Assistant
Northallerton - Estates *(South Tees Hospitals NHS Foundation Trust)*
Salary: £15,251 - £15,516 Pro Rata Hours Per Week: 18.75 Hours per week Job Type: Permanent
Reference: 328-CP-0083 Closing Date: 01 Jul 2016

We require a friendly and enthusiastic individual to work as a Domestic Assistant within the Hotel Services Department at the Friarage Hospital. The right person for this post needs to have a flexible approach to working.

This is a 18.75 hour a week temporary maternity cover post worked, working on a two week rota. It will include the possibility of weekend and bank holiday working.

As a Domestic Assistant you will work as part of the domestic team to provide a clean, safe and supportive environment in which patients can recuperate.

Previous experience is desirable but not essential as training will be given.

The Trust will provide uniform and there are Staff Dining Facilities, Occupational Health Service, and a regularly reviewed Staff Benefits Package.

Further details are available from Domestic Supervisors on 01609 762024

Previous applicants need not apply
**Estate Maintenance Worker – Specialist**

**Northallerton - Estates** *(South Tees Hospitals NHS Foundation Trust)*  
**Salary:** £21,909 - £28,462 Per Annum  
**Hours Per Week:** 37.5 Hours per week  
**Job Type:** Permanent  
**Reference:** 328-CP-0082  
**Closing Date:** 05 Jul 2016  
**Interview Date:** 18/07/2016

This is an extremely exciting opportunity to join an Estates & Facilities Management team that adds value and actively pursues innovation in the support of patient care.

The Estates & Facilities Management team has a vacancy for a suitably qualified, experienced and motivated person to join the Directorate within South Tees Hospitals NHS Foundation Trust in the role of Estates Maintenance Craftsperson - Specialist.

Based at the Friarage Hospital Northallerton, reporting to the E&F Trusts Maintenance Team Leader the successful applicant will be qualified in mechanical engineering, possess excellent technical, communication skills and will form part of a small team of dedicated staff providing excellent customer service and a high standard of maintenance.

Please read the Job Description that defines the role and responsibilities required by the candidates. A flexible approach and willingness to learn new skills is essential in this varied role. There is also a requirement to participate in an out of hour’s emergency on call rota.

Your positive attitude and capacity to work well both within a team and alone without direct supervision will ensure your success.

For an informal discussion and to seek further clarification please contact Julian Verity – Maintenance Manager on 01609 764010
We are looking to recruit two experienced, dynamic and enthusiastic Assistant Nurse Practitioners to support the community nursing team in Middlesbrough.

Successful candidates will be experienced in working in a health care setting however community experience would be an advantage and must have successfully completed a Foundation Degree in Health and Social care.

The successful candidate will have excellent communication and IT skills and be able to work on their own and as part of the team. They will work independently with minimum supervision (but under the direction of the nurse in charge) and must be able to make judgements in relation to clinical situations that involve determining the appropriate course of action.

The post holder must be able to organise, prioritise and adjust their own workload and demonstrate the ability to contribute to on-going development and improvements within the service.

The post holder will be based at Unity House Middlesbrough however this is subject to change dependent on the needs of the service.

For more information on the clinical responsibilities of this role please contact Sam Griffiths, Clinical Lead Community Nursing Eston on 01642 511610 or Chris Gatenby on 01287 655010 or Kerry Reay on 01642 813568
Physiotherapy Assistant
Northallerton - Physiotherapy Department (South Tees Hospitals NHS Foundation Trust)
Salary: £15,251 - £17,978 pro rata Hours Per Week: 28.75 Hours per Week Job Type: Permanent
Reference: 328-CD-0082 Closing Date: 06 Jul 2016

An exciting opportunity has arisen for an enthusiastic, self-motivated team player, to work as a Physiotherapy Assistant within the Physiotherapy Service at the Friarage Hospital Northallerton. The role involves working on our busy Orthopaedic Wards (some weekend working required) and Physiotherapy Outpatient Department, assisting Physiotherapists in the rehabilitation of patients with predominantly musculoskeletal problems.

To be effective in this role you must be able to work as part of a team and have excellent organisational and communication skills. Experience in health, social care or similar environment is required.

Continuing professional development is actively encouraged and regular support and supervision will be provided by the physiotherapists.

Informal enquiries to Linda Thomson Physiotherapy Department, Friarage, Northallerton Tel: 01609 779911 Bleep 109.

Interviews to take place – 21st July
Radiographer

Middlesbrough - Radiology Department *(South Tees Hospitals NHS Foundation Trust)*

**Salary:** £21,909 - £28,462 per annum  **Hours Per Week:** 37.5 Hours per Week  **Job Type:** Permanent

**Reference:** 328-CD-0080  **Closing Date:** 29 Jun 2016

An exciting opportunity has arisen within the Radiology departments at South Tees Hospitals NHS Foundation Trust. There is an opportunity for Band 5 Radiographer to join our expert teams within the Radiology department, which includes the provision of plain film, A&E and theatre services as well as specialist modalities, including CT, MRI and Neuroradiology, with rotation around all aspects of the service.

The Imaging service is dedicated in facilitating continuous professional development and role extension/advanced practice. There are more than 30 Advanced Practitioners within the service, with specialist experience in Fluoroscopy/Interventional radiology, Ultrasound, CT, MRI and MSK radiographer reporting.

South Tees Hospitals NHS Foundation Trust is already nationally recognised as one of the leading healthcare providers in England for the quality of our services. The Trust is a designated regional major trauma centre with a 24-hour acute admissions unit and specialised services in cancer, neurosciences, spinal injuries, cardiology and renal medicine.

Our purpose is to deliver seamless, high quality, safe healthcare for all.

Informal discussions and/or visits to the department are encouraged. Please contact: Kelly Smith or Julie Clark (Radiology Service Managers) on 01642 835768 to make the necessary arrangements.
Healthcare Scientists

Specialist Biomedical Scientist
James Cook University Hospital, Middlesbrough - Biochemistry (South Tees Hospitals NHS Foundation Trust)
Salary: £26,302 - £35,225 Hours Per Week: 37.5 hours per week Job Type: Permanent
Reference: 328-CD-0068 Closing Date: 30 Jun 2016

Applications are invited from suitably qualified and experienced State Registered Biomedical Scientists for the post of Specialist Biomedical Scientist in the Clinical Chemistry Department at South Tees Hospitals NHS Foundation Trust. Applications will also be welcomed from staff who have not yet completed the Specialist Diploma in Clinical Chemistry, but are working towards it.

There is an exciting opportunity for a highly motivated and enthusiastic individual to join our team within this busy and progressive department which operates over both Trust acute sites, with mirrored main instrumentation, and a different selection of specialist assays carried out at each site.

The successful candidate will be required to work at the both the James Cook University Hospital and at the Friarage Hospital according to service need. A 24 hour service is provided at both laboratories, and the successful candidate will be required to participate after suitable training. The shift system includes the option for working the 37.5 hours over 3-4 longer shifts rather than standard day shifts.

South Tees Acute Hospitals NHS Trust is committed to developing excellence and staff motivation is high on the agenda. Good interpersonal and organisational skills are essential for these posts.

For further information please contact Nicola Bateman or Derek Parrington, Department of Clinical Chemistry on 01642 282634 or 282631. Informal visits prior to application are encouraged.
Nursing & Midwifery Registered

**Perioperative Practitioner**

**Middlesbrough - Trauma and Orthopaedic Surgery (South Tees Hospitals NHS Foundation Trust)**

**Salary:** £31,383 - £41,373 per annum  
**Hours Per Week:** 37.5 Hours per Week  
**Job Type:** Permanent  
**Reference:** 328-PC-0032  
**Closing Date:** 04 Jul 2016

We have exciting opportunities for nurses to lead the way in terms of the Peri-operative management and care of orthopaedic patients.

The Orthopaedic Directorate is recognised within the region as a tertiary referral centre, undertaking a full range of highly complex orthopaedic surgery. The post holders will work in collaboration with the medical and nursing staff to provide ward based clinical care including the clerking of new patients, daily assessment, ordering of appropriate investigations, initiation of treatments and escalation of care where necessary.

These posts will allow the opportunity to network with other specialist nurse colleagues for the purpose of developing practice, research audit and the standardisation of patient information. It is expected that the information, support and advice given to patients, carers and other staff will enhance the service provision, improve clinical practice and streamline patient focused care.

To discuss the post further please contact Mrs Julie O’Hara, Trauma Manager on Tel: 01642 853918.
Staff Nurse
Middlesbrough - Ward 8 - Gastroenterology (South Tees Hospitals NHS Foundation Trust)
Salary: £21,909 - £28,462 per annum Hours Per Week: 37.5 Hours per Week Job Type: Permanent
Reference: 328-PC-0028 Closing Date: 27 Jun 2016

A position has arisen to join our team on Ward 8, Gastroenterology at the James Cook University Hospital. We can offer excellent opportunities for professional development within a supportive working environment, allowing you to reach your full potential. We are committed to the provision of high quality evidence based patient care.

Applicants must be committed to providing a high standard of patient care, and also to their own personal development. He/she must have excellent communication skills and be supportive and open to new initiatives. Gastroenterology experience an advantage but not essential.

For more information regarding the above post or to arrange an informal visit please contact Matron Paul Rafferty on 07766725444, Senior Sister Jeanette Cramer, Sister Jenny Willis or Sister Ellie Marshall 01642 854508.

If you have recently applied to this post you do not need to re-apply, your application is being considered.
Staff Nurse

**Middlesbrough - Ward 7 / Ward 5 (South Tees Hospitals NHS Foundation Trust)**

**Salary:** £21,909 - £28,462 pro rata / per annum  
**Hours Per Week:** Various Hours per Week  
**Job Type:** Permanent  
**Reference:** 328-PC-0011  
**Closing Date:** 27 Jun 2016

Planned Care Centre, Urology, Upper GI & Colorectal Surgery

We are currently offering opportunities for staff nurses to work on the Colorectal/Upper GI Ward and Urology wards within the Planned Care Centre.

We require well motivated, enthusiastic and hard working nurses to assist the unit in leading the service forward. We are an innovative unit promoting the Enhanced Recovery and Time to Care initiatives. We also care for patients undergoing Bariatric Surgery.

We have developed and implemented new patient pathways, keeping the patient central to everything we do.

We work closely with the Clinical Nurse Specialists to create an efficient multi disciplinary approach for our patients’ journey.

Specialist training courses are available in order to improve staff awareness and knowledge in the specialist areas.

Successful staff will be given a 6 month preceptorship period and opportunities to develop their skills further.

To aid your transition we have developed the role of the Assistant Practitioner; a much valued member of the team, who works alongside the registered nurse providing a higher level of support, whilst also giving support to the Health Care Assistants.

Our patients are central to everything we do; our nurses provide high standards of care with commitment, compassion and competence.

Our teams are innovative and forward thinking with an honest and transparent culture.

The successful candidates will work within the multi disciplinary team delivering high quality care.

If you would like to become a member of either of these dynamic teams, please contact Paul Rafferty, Matron, Planned Care Centre on 07766725444.

If you have recently applied to this post you do not need to re-apply, your application is being considered.
Community Matron

Middlesbrough - Community Services (South Tees Hospitals NHS Foundation Trust)
Salary: £31,383 - £41,373 Hours Per Week: 37.5 Hours per Week Job Type: Permanent

Community Matron AFC Band 7

The South Tees NHS Foundation Trust is a unique organisation delivering acute and community services care.

As an integrated Trust, we provide care that is judged as excellent by our patients.

We provide acute care based from The James Cook University Hospital, Middlesbrough and The Friarage Hospital, Northallerton.

In our 4 community hospitals across Middlesbrough, Redcar and North Yorkshire we provide community inpatient care and rehabilitation with a mix of GP and consultant-led beds.

Our community teams co-ordinate care for individuals in need to live healthily and independently in their own homes. We do this by responding rapidly to avoid hospital admissions and providing support to enable patients to leave hospital as soon as is safe.

We are looking for skilled and outstanding senior nursing clinicians to join our Community Matron service that sits with the Community Nursing Service forming part of the Community Care Centre within the Trust. If you possess innovation, dynamism and drive and are passionate about Long Term Conditions, this could be the challenge you are looking for.

You will have significant post-registration experience, be a non-medical prescriber and have advanced clinical skills to help you effectively manage a caseload of patients with highly complex needs. You will utilise your case management approach which will have a direct and positive impact on the person's ability to cope with their long term condition(s) with the aim to reduce unnecessary hospital admissions.

In the role of Community Matron you will be a key member of the wider community nursing team. You will possess excellent communication and interpersonal skills and be able to demonstrate the ability to work across a diverse range of clients with complex needs. You will also participate in the Rapid Response Service providing a rapid assessment of nursing care and treatment for patients in their own home to prevent unnecessary admissions and/or facilitate timely discharge from hospital.

The successful candidate(s) will join a team of Community Matrons with a wealth of clinical knowledge and experience who will support and encourage you in your new post.

Only shortlisted candidates will be contacted. You may be informed by e-mail of interview details if you are shortlisted, so please check your e-mails regularly.

The 3 available posts are full time and permanent across the Middlesbrough, Redcar and Cleveland area on a shift rota between 08:00 hours – 23:00 hours seven days per week with flexibility to meet service need.

There is the opportunity for experienced nurses who meet the person specification with the exception of the non-medical prescribing qualification, to work at a Band 6 level and complete the non-medical prescribing module at Teesside University within 12 months of commencing the role. On successful completion of this qualification the candidate will progress into the Band 7 role.

Experience of Community nursing, working within an emergency assessment unit or rehabilitation would be an advantage and we welcome informal visits to the areas.

For further clinical information please contact Community Matrons Karen Ewart 07799075971 or Rosie Watts 07810056342 or Sam Griffiths Clinical Lead Community Nursing 01642 511610/07810056300 for any other information.
Transfusion Practitioner

Middlesbrough - Pathology - Haematology (South Tees Hospitals NHS Foundation Trust)

Salary: £31,383 - £41,373  Hours Per Week: 37.5 Hours per week  Job Type: Permanent

Reference: 328-CD-0076  Closing Date: 26 Jun 2016  Interview Date: 05/07/2016

Applications are invited from suitable staff for the post of Transfusion Practitioner to help ensure regulatory compliance with Blood Safety legislation and best transfusion practice across the Trust.

Main roles would be:

b) To work as part of the Hospital Transfusion Team to promote the safe effective and efficient use of blood and blood products and promote effective patient blood management.

c) Ensure assessment of the requirements of the users of the blood transfusion service and help implement service driven changes accordingly.

d) Help ensure the provision of an effective and efficient service, and to contribute to staff training and development in the practice of transfusion medicine.

e) The post holder will ensure that the systems for error logging and subsequent error resolution are maintained and aid in the management of internal and external quality control issues.

f) Red cell and plasma exchange programme

The post holder will be required to be HCPC registered scientist or Registered first level nurse or midwife, with a basic degree and a Masters degree (or a commitment to complete a Masters degree). They will be expected to maintain their professional registration and an up to date knowledge of their specialist area through continual professional development.

The post holder will be expected to be flexible in their approach to working hours, changing their work patterns to meet ensure the delivery of the project as required. There may be a requirement to work evening or weekend sessions on occasion and they will be expected to work across both sites.

South Tees Hospitals NHS Foundation Trust is committed to developing excellence and staff motivation is high on the agenda. Good interpersonal and organisational skills are essential for this post.

For further information please contact Chris Elliott, Transfusion Lead Scientist, on 01642 282633. Informal enquiries prior to application are encouraged.

Closing Date: 26th June 2016

Interview Date: 5th July 2016 – This is the confirmed date for the interviews
Staff Nurse

James Cook University Hospital - Ward 28 (South Tees Hospitals NHS Foundation Trust)
Salary: £21,909 - £28,462 Hours Per Week: 37.5 Hours per week Job Type: Permanent
Reference: 328-SC-0019 Closing Date: 27 Jun 2016

Are you interested in joining an innovative, motivated and enthusiastic team which puts patients at the heart of everything? Do you want to work on a ward that is committed to providing the highest quality of care and maintaining consistently high standards in a professional and friendly atmosphere? Then this could be the exciting and challenging opportunity you are looking for!

Ward 28 currently has 30 beds including a 6 bedded monitoring bay, providing acute and early rehabilitation stroke care to patients within the South Tees and Hambleton & Richmondshire areas. We provide a 24 hour Thrombolysis service to eligible patients, we have a Thrombectomy service for eligible patients and the ward currently accepts direct admissions 9-5 during week days which we would aim to extend in the future.

The current vacancies will support further development of hyper-acute services to further promote South Tees NHS Trust as a Centre of Excellence in Acute Stroke Care.

If you wish to join our dedicated team of highly skilled nurses, you will be encouraged and supported to develop and improve your knowledge and skills in acute stroke care where the health, safety and well-being of our patients is paramount.

Applications are welcomed from Staff Nurses with experience or a special interest in stroke. Student Nurses with a particular interest or experience in stroke care will also be considered.

If you would like to discuss any aspects of this post or arrange an informal visit please contact Joanne Elliott (Ward Manager), Dawn White or Stephanie Davies (Ward Sisters) on 01642 854528.

If you have recently applied to this post you do not need to re-apply, your application is being considered.
Sister

Middlesbrough - Cardio High Dependancy Unit (South Tees Hospitals NHS Foundation Trust)
Salary: £26,302 - £35,225 pro rata Hours Per Week: 24 Hours per Week Job Type: Permanent
Reference: 328-SC-0053 Closing Date: 29 Jun 2016

Internal Applicants Only

Applicants must have significant experience in cardiothoracic critical care post qualification or equivalent. This post will be based in HDU with the expectation of rotation within the cardiothoracic surgery critical care areas to strengthen the current clinical leadership within the cardiothoracic critical care team. Key elements of the role are excellent communication and people management skills, level 2 critical care skills, and the ability to demonstrate organisation of self and others. Responsibility for effective utilisation of resources while delivering highest standards of care is also expected.

We are one of the largest employers in the Tees Valley, a great place to work and live. Our mission statement is 'together we do the amazing' and we are proud of the hard work, and dedication of our staff at both The James Cook University Hospital and the Friarage Hospital. We have now achieved Foundation Trust status and were recently named 'Outstanding Employer of the Year' by the Learning and Skills Council.

Please contact Sr Claire Holmes or Sr Sue Hegarty for an informal discussion and/or to arrange a visit to the department on 01642 854532
Resuscitation Officer

Middlesbrough - Resuscitation (South Tees Hospitals NHS Foundation Trust)
Salary: £31,383 - £41,373 per rota Hours Per Week: 15 Hours per week Job Type: Permanent
Reference: 328-CP-0030 Closing Date: 04 Jul 2016

South Tees is one of the largest employers in the Tees Valley area with a workforce of around 9,000 staff. Our mission statement is 'striving for the best in healthcare' and we are proud of the hard work, commitment and dedication of our staff.

If you are looking for a challenge and can demonstrate an innovative and pro-active approach we would like to hear from you. We are seeking to appoint a suitably qualified and experienced person to join the present Resuscitation Department within the Institute of Learning Research and Innovation. If this interests you, you will need to be an enthusiastic, motivated, team player with excellent communication skills who is interested in pursuing a career in resuscitation training and has experience in an acute care setting and teaching.

In conjunction with the Resuscitation Department Manager the Resuscitation Officer will have responsibility to plan, organise and deliver training in basic, intermediate and advanced techniques of resuscitation in adults and paediatrics to all levels of staff throughout the Trust. The service also provides advice and support not only in education and training but acts as a professional resource and offers clinical advice on all aspects of resuscitation within the Trust.

The successful applicant must be a Registered Nurse, Paramedic, Operating Department Practitioner or Cardiac Physiologist. He/she must have substantial clinical experience and be a current Resuscitation Council (UK) Advanced Life Support Instructor and show evidence of teaching practice to instructor level. A paediatric qualification such as Advanced Paediatric Life Support Certificate (APLS) or Paediatric Life Support (PLS) would be an advantage.

The successful applicant will work across all hospitals sites, but will be based in the Institute of Learning Research and Innovation at the James Cook University Hospital. A teaching qualification is advantageous.

For further information and/or informal visit please contact Donna Campbell, Resuscitation Department Manager on (01642) 282864.
Specialist Nurse Occupational Health
James Cook University Hospital - Occupational Health (South Tees Hospitals NHS Foundation Trust)
Salary: B6 or B7 based on qualifications and experience Hours Per Week: B6 - 37.5 Hours per week / B7 - 34 Hours per week
Job Type: Permanent
Reference: 328-CP-0019 Closing Date: 30 Jun 2016

Our SEQOH accredited Occupational Health Service at South Tees Hospitals NHS Foundation Trust provides an excellent service to 9000 employees and a number of external customers. The service operates across sites at James Cook University Hospitals in Middlesbrough and the Friarage Hospital in Northallerton whilst also providing outreach clinics at some customer locations.

We are looking for an Occupational Health Nurse Professional to join our award winning team as either an Occupational Health Nurse Advisor (B6) or Occupational Health Specialist Nurse depending on qualifications, skills and experience. Our multi-disciplinary team aim to prevent work related illness and injury whilst promoting and maintaining health within the workplace. We provide impartial, independent advice to both employees and managers on workplace health and play an active role in supporting the Trust with the management of sickness absence. Our support services include:

* advice on health at work issues
* sickness / attendance management support
* work health assessments
* health surveillance
* work related vaccination programmes and related blood tests,
* follow up of accidental inoculations
* health promotion and education campaigns including our award winning staff flu vaccination campaigns for healthcare workers as our flu team won best flu fighter team in the national NHS employers flu fighter awards in 2015 and have again been short-listed for the same award in 2016.
* confidential counselling services,
* physiotherapy advice, support and treatment
* manual handling training

Informal enquiries are welcome by telephone or informal meetings about these posts. Please contact Pam McCourt, Service Manager on 01642 282482 or Alison Dewar, Specialist Nurse for more information.
Community Staff Nurse

Middlesbrough - District Nursing - Middlesbrough, Redcar and Cleveland (South Tees Hospitals NHS Foundation Trust)

Salary: £21,909 - £28,462 per annum / pro rata Hours Per Week: Various Hours per Week Job Type: Permanent

Reference: 328-CC-0043 Closing Date: 27 Jun 2016

Community Nursing benefited from substantial service redesign in 2012 and now includes a Rapid Response and Virtual Ward Service that has been integrated into the current Community Nursing Service. Staff rotate into the Rapid Response Service on a daily basis but work within the core Community Nursing team with the Community Sister who has responsibility for a defined caseload of patients. Working in the Rapid Response Service will enable you to contribute to the admission avoidance agenda by supporting patients with a range of complex health and social needs to remain at home through a period of illness/crisis.

Community Services has strong and active links with GP practices, Intermediate Care Services, Community Hospitals, acute NHS Trusts and health and social care and is committed to the delivery of high quality patient focused care using evidence-based practice. We are looking to recruit dynamic and enthusiastic individuals who have the vision to contribute to the development of new services. You will need to be highly motivated and forward thinking and possess the ability to work independently as well as within a locality team.

Before applying please ensure you meet the essential criteria for this position. The posts are based within identified localities however the post holders may be expected to work across the Middlesbrough, Redcar and Cleveland locality depending on service need.

Core working hours for the Community Nursing Service is 8am-8pm 7 days a week and for the Rapid Response Service 8am-11pm 7 days a week with flexible working patterns to allow you to balance your work and family life.

To obtain further information regarding this post please contact Sam Griffiths Clinical Lead Eston Community Nursing 01642 511610 or 07810056300 or Chris Gatenby on 01287 655010.
Staff Nurse

Middlesbrough - Various Departments (South Tees Hospitals NHS Foundation Trust)
Salary: £21,909 - £28,462 per annum / pro rata 
Hours Per Week: Various Hours Available 
Job Type: Permanent 
Reference: 328-STAFF-NURSE 
Closing Date: 10 Jul 2016

Are you looking for a new challenge and to find a fulfilling career in healthcare? Do you want to make a difference to people’s lives?

South Tees Hospitals NHS Foundation Trust provides acute and community services across Teesside and North Yorkshire to over 1.5 million people. As an integrated provider we currently have opportunities available in acute care, primary care hospitals and community services.

Do you have:
* A passion for delivering high quality patient care
* Outstanding communication and interpersonal skills
* The ability to deliver safe, effective and compassionate care
* A commitment to continual personal and professional development

If you do then come and be a part of the team at our high performing trust, which prides itself on excellence and aims to set the national standard for excellence in patient safety, quality and continuous improvement. Our 9,000 staff have an important role in fulfilling this aim, making working for the trust very rewarding. Staff have access to a range of benefits including pension, salary sacrifice schemes, on-site nursery and staff experience initiatives.

We have specific jobs advertised but these may not be in the area you are currently interested in applying so this advert is for you. Please apply stating your preferred area of practice and location and let us see if we can match you to a job.

Open Day
We are holding a nurse recruitment open day on Friday 1 July 2016 from 9 am until 3 pm at James Cook University Hospital. This will take place in the small atrium on the Yellow Route towards South Reception (Globe Entrance).

You will have the chance to talk to nursing colleagues from across our organisation and learn more about the exciting opportunities available to nurses in our trust.

If you would like more details, please contact HR on 01642 854610.
Percutaneous Coronary Intervention Specialist Nurse
Middlesbrough - Cardiology (South Tees Hospitals NHS Foundation Trust)
Salary: £31,383 - £41,373 Per Annum Hours Per Week: 37.5 Hours per week Job Type: Permanent
Reference: 328-SC-0048 Closing Date: 27 Jun 2016 Interview Date: 04/07/2016

An exciting opportunity has arisen for a Band 7 post within the specialty of the PCI Team in Cardiology. This team provides a comprehensive service for patient undergoing coronary angiography, coronary intervention, rapid access chest pain clinics and a range of services for patients with valve disease. The successful candidate must have extensive Band 6 experience in acute cardiology and be familiar with current practices within the specialty. They should hold a relevant degree and be working towards Masters degree or willing to undertake masters level study to achieve this qualification. In addition, they would require clinical skills for advanced practitioners and have or willing to obtain Non-Medical Prescribing qualifications. The successful candidate will undertake expanded duties and responsibilities within the Cardiology department at the James Cook University Hospital.

For further details contact Sarah Callaghan on 01642 854922
Administrative & Clerical

Business Intelligence and Data Analytics Manager
Middlesbrough - Information Management and Technology (South Tees Hospitals NHS Foundation Trust)
Salary: £40,028 - £48,034 per annum  Job Type: Permanent
Reference: 328-CP-0081  Closing Date: 28 Jun 2016

South Tees Hospitals NHS Foundation Trust is seeking a motivated and dynamic Business Intelligence and Data Analytics Manager to lead the Business Intelligence and Data Analytics team during a period of significant transformation.

The scope/role of the team is evolving in order to provide a first class BI and data analytics service to support the Trust in delivering its transformation and operational agendas, whilst ensuring delivery of mandatory reporting requirements.

This is an excellent opportunity for a high calibre individual who will lead the strategic planning of current and future data management solutions, overseeing the design and development of the trust’s data infrastructure. You will have strong technical skills associated with contemporary big data, in memory, analytics, warehousing and BI / reporting solutions. Experience of managing staff through periods of change is also essential.

A masters degree level qualification in a subject relevant to business intelligence and data analytics is a requirement of this role. To support the trust’s future success, you will:

* Build stakeholder relationships internally and externally in relation to the supply and quality of information and intelligence.
* Contribute to the development of overall the IT and informatics strategies.
* Provide expert support and advice on the use of business intelligence to support evidence based decision making.

You will be based at our site at Eggleston Court, Riverside Park, Middlesbrough and will also spend significant time at James Cook University Hospital, Middlesbrough and other Trust locations.

This is an exciting opportunity to be part of a team that will be critical to the success of a truly transformed future state for the trust and will fundamentally challenge traditional processes and ways of thinking to build an industry leading service that provides excellent quality care to the communities in which we serve.

Informal enquiries can be made to Allison Davis, Head of Information Services & Healthcare Records.

Audio Typist

Middlesbrough - Musculoskeletal Service (South Tees Hospitals NHS Foundation Trust)
Salary: £15,251 - £17,978 pro rata Hours Per Week: 28.5 Hours per Weeks Job Type: Fixed term
Reference: 328-CD-0081 Closing Date: 27 Jun 2016

An opportunity has arisen for a part time experienced audio typist to join our busy administration team providing typing support to a number of Specialist Clinical Services delivered from One Life Centre, Linthorpe Road, Middlesbrough.

The successful applicant will have previous office experience and possess good written and verbal communication skills and be able to demonstrate excellent team working skills. Applicants should have a good all round level of education to GCSE level or equivalent plus a qualification to RSA level I/II with good keyboard skills, or an equivalent level of experience.

Previous experience working in a health care team based environment with knowledge of medical terminology would be advantageous.

For informal enquiries please contact Wendy Logan, Office Manager on 01642 737737
Audio Typist

Middlesbrough - Neurology (South Tees Hospitals NHS Foundation Trust)
Salary: £15,251 - £17,978 Per Annum Hours Per Week: 37.5 Hours per week Job Type: Permanent
Reference: 328-SC-0049 Closing Date: 28 Jun 2016

A vacancy has arisen within Neurosciences for an audio typist/clerical officer to provide typing/administrative support to the neurology consultants/secretaries supporting the delivery of excellent quality of care.

Applicants must have previous audio typing experience and possess a recognised typing qualification with a good working knowledge of Windows. They will be hard working and be able to work as a member of a team with minimum supervision. We are looking for an enthusiastic individual with good communication and IT skills. Previous experience in a medical environment would be an advantage.

Please contact Julie Siviter, waiting list manager (01642 854118), for an informal discussion and/or to arrange a visit to the department.
Patient Experience Facilitator

Middlesbrough - Clinical Support Services (South Tees Hospitals NHS Foundation Trust)

Salary: £21,909 - £28,462 Per Annum Hours Per Week: 37.5 Hours per week Job Type: Permanent

Reference: 328-CD-0075 Closing Date: 28 Jun 2016

An exciting and challenging opportunity has arisen in Clinical Support Services for a Patient Experience Facilitator Coordinator who will be responsible for the efficient and effective handling and resolution of complaints and other patient related enquiries (PALS) and maintaining the centre risk register, incident reporting data and providing governance support to the Quality & Performance Business Partner and Clinical Quality Lead.

An excellent communicator, you will also possess analytical, negotiating and problem-solving skills. You will be able to prepare reports and analyses of data. You will have an excellent knowledge of the relevant legislation and policy regarding PALS, Complaints and Patient Experience.

You will have ability to work across organisational boundaries, use networks effectively and be comfortable in promoting the team to internal and external audiences.

You should be able to work on your own initiative and be confident in your own judgment while able to respond constructively to alternative ideas.

The Post holder will be based at James Cook University Hospital, within the Clinical Support Services Centre, but may need to travel between all sites on occasion. Applicants must be able to travel across Teesside and into North Yorkshire to meet the requirements of this post.

Candidates should be self-motivated and able to work autonomously. Excellent communication and organisational skills are essential.

Reference: 328-CO208 Closing Date: 12 Jul 2016

Consultants in Oral + Maxillofacial Surgery H&N Cancer and Trauma/General

Looking for a fulfilling career in Oral & Maxillofacial Surgery and a fantastic place to live

The James Cook University Hospital’s Oral & Maxillofacial Surgery Department is undergoing changes and we are looking for three dynamic, forward thinking consultants to join our team. The post is available with a specialist interest in Head and Neck Oncology.

The OMFS Head & Neck cancer team are part of a comprehensive Head & Neck MDT including skull base surgery and with access to a surgical robot. James Cook University Hospital is a designated Major Trauma Centre.

The Tees Valley is home to vibrant towns, picturesque villages, breath-taking countryside and stunning coastlines and has the North York’s Moors National Park on its doorstep. The area boasts both excellent schools and travel links with London and Edinburgh just a couple of hours away by train.

For further information about the post or to arrange an informal visit, please contact Mr Richard Langford Clinical Director, Department of Oral and Maxillofacial Surgery on 01642 854256 (sec) For queries relating to your application or the process, please contact Mrs Lorraine Grayson on 01642 854042

Closing date: Sunday 12 June 2016
Consultant Anaesthetist

**Middlesbrough - Theatre & Anaesthetics (South Tees Hospitals NHS Foundation Trust)**

**Salary:** National Pay Scales Apply  
**Job Type:** Permanent  
**Reference:** 328-C0192  
**Closing Date:** 13 Jul 2016

CONSULTANT ANAESTHETISTS based at the James Cook University Hospital, Middlesbrough, TS4 3BW

10 PA contract

We are currently looking for 3 Consultant in Anaesthetists to join our growing team of 74 Consultants.

South Tees Hospitals NHS Foundation Trust is a large, dynamic university hospital which is friendly, well equipped and has an excellent reputation. The post will be based at The James Cook University Hospital, Middlesbrough with an overnight on-call frequency of 1 in 20.

The posts offer a wide range of clinical services and we encourage development of a special interest. There are options to take up a regular sessional commitment at The Friarage Hospital, Northallerton, which is part of the Trust.

Currently the department has 34 regional trainees on rotation as well as Foundation doctors and the out of hours rota is maintained with trainees of all levels.

Consultant on call frequency is approximately 1:14 on the adult rota or 1:8 on the paediatric rota.

Working in the North East offers an excellent quality of life. This area boasts great transport links with easy access to a beautiful coastline/countryside and a great range of local amenities, shopping and nightlife.

Applicants should possess full GMC registration, FRCA (or equivalent) and either already be on the Specialist Register or be within 6 months of receiving their Certificate of Completion of Training (CCT) at the time of interview.

This post would suit someone looking to maintain a broad range of interests and be part of a dynamic department. We are keen to support individuals pursuing specialist interests and will discuss potential opportunities with any prospective candidates. We are particularly keen to recruit those with an interest in paediatric anaesthesia. A range of other specialty adult anaesthetic interests could be accommodated after further discussion.

The successful candidate will be appointed under the current terms and conditions of service for NHS Consultants.

For further information or to arrange an informal visit, please contact: Dr James Winnard, Clinical Director by telephone: 01642 850850 Ext 54600.

Closing date: 13/07/2016
Trust Associate Specialist

Middlesbrough - Anaesthesia (South Tees Hospitals NHS Foundation Trust)
Salary: £52,643 - £86,655 Hours Per Week: Full shift Job Type: Fixed term

Applicants who believe themselves eligible to apply for the role of Specialty Doctor may also wish to telephone the Trust for an initial discussion as opportunities may also exist.

The Tees Valley is more than just inspiring coastlines, beautiful countryside and a great place to live. It is also where you'll discover a true transformation in patient care. South Tees Hospitals NHS Foundation Trust is one of the largest Trusts in England, with two very different hospitals and a number of community hospitals and services. The James Cook University Hospital, Middlesbrough is a major tertiary and teaching centre with over 1,000 beds, while the Friarage is a local district general hospital, serving a largely rural population of more than 120,000 people. Together, we’re exploring new and innovative ways to deliver better services.

For this role, we’re looking for someone flexible, collaborative, ready to teach others and to develop professionally themselves. Theatre will be based across all Trust sites, but your on-call duties will be based at the Friarage Hospital in Northallerton. Here, you will participate in a resident on-call rota covering anaesthesia and ITU on approximately a 1 in 8 basis – there are no maternity duties within this post. Significant experience in clinical anaesthesia is essential, preferably gained within the NHS, supported by a Primary FRCA or equivalent. You must hold a full registration with the GMC and a full licence to practice. English Language skills to the level of PLAB are essential.

From the Tees Estuary to the area’s vibrant towns, The Tees Valley is a place where heritage and modernity converge. The quality of life is exceptional – but the real attraction for medical professionals is a location where you can make change happen, make a difference and make the most of every opportunity to learn, develop and enhance your career.

For an informal discussion or to arrange a visit, please contact: James Winnard, Clinical Director (James Cook University Hospital) on 01642 854600, Dr Andrew Barrington, Clinical Director (Friarage) on 01609 764838 or Ms Sue Styan (Administrator) 01642 854600.
There is an exciting opportunity at South Tees for a Consultant Anaesthetist specialising in Critical Care Medicine to join a highly respected and dynamic team in a large tertiary referral hospital and Major Trauma Centre. The successful applicant will join a dynamic team of 19 ICM consultants within a larger department of 75 anaesthetists.

South Tees Hospitals NHS Trust is one of the largest Trusts in England, comprising of the James Cook University Hospital, Middlesbrough, a large 1000 bedded teaching centre and MTC, and the Friarage Hospital, Northallerton (FHN), which serves a population of 120,000 covering 1,000 sq miles of beautiful rural North Yorkshire. James Cook provides comprehensive regional specialties including Cardiothoracic Surgery, Neurosurgery, Maxillofacial Surgery, Plastic Surgery, ENT and Ophthalmic Surgery. It is a regional centre for Spinal Injury, Upper GI and Vascular Surgery and the Major Trauma Centre with its own helipad covering Teesside, Durham and North Yorkshire.

Critical care at James Cook has 32 beds (16 level 2 and 16 level 3) in addition to 6 flexible beds at the FHN. James Cook also has 4 level 2 beds in the regional spinal injuries centre, 8 neurosurgical HDU beds and separate Cardiac and PICU beds. In addition to consultants, the critical care unit has both a middle grade and junior medical rota in all three critical care units, as does the anaesthesia department. Both critical care and Anaesthesia have very strong educational, research and training records and opportunities, running regional courses for both middle grades and more junior trainees. The critical care unit offers FICE training and is recognised for Advanced Training in Intensive Care Medicine, having 3 Advanced trainees at any one time and running a highly regarded weekly teaching programme, middle grade teaching and journal club. ICNARC outcomes are excellent. On call is within Critical Care at James Cook but flexible sessional working between James Cook and the FHN is expected and a variety of anaesthesia lists would be available tailored to an individual’s interests and the service needs of the department. Expressions of Interest would also be welcomed from physician intensivists, single CCT ICM applicants and those with CCT who wish the job to be based predominantly at the FHN.

Applicants should possess full GMC registration, FRCA (or equivalent) and either already be on the Specialist Register or be within 6 months of receiving their Certificate of Completion of Training (CCT) at the time of interview. Advanced training in Intensive Care (or equivalent) is essential. The successful candidate will be appointed under the new terms and conditions of service for NHS Consultants. Full consideration will be given to applicants who wish to apply for a reduced/part time contract.

To discuss the post, or to arrange an informal visit please contact Professor Stephen Bonner, Clinical Director ITU on 01642 854643 or Dr James Winnard Clinical Director Anaesthesia on 01642 854600. For queries relating to your application or the process, please contact Rebecca Phillips, Personal Assistant on 01642 835868.
Trust Doctors

Middlesbrough and Northallerton - Various *(South Tees Hospitals NHS Foundation Trust)*

**Salary:** £30,302-£40,090  **Hours Per Week:** Full Shift  **Job Type:** Fixed term  **Reference:** 328-328-TRUST-DR-CORE  **Closing Date:** 22 Jul 2016

Applications are invited for Trust Grade (CT and ST3 level) generic posts across the South Tees Hospitals NHS Foundation Trust.

These posts are designed to fill Deanery vacancies. There are current vacancies within General Medicine, Neurosurgery, Cardiothoracic Surgery, Major Trauma and Spinal Injury.

Specialty rotations that are available will be discussed on the day of interview.

South Tees Hospitals NHS Foundation Trust is situated on the edge of the North Yorkshire Moors with excellent rail and road links to all the major towns and cities. It is one of the largest Trusts in the country and provides comprehensive regional specialist services including Plastic Surgery and Burns, Cardiothoracic, Maxillofacial, Neurosurgery and Neonatology in addition to the Regional Spinal Injuries Unit.

Although the post is not officially approved by the Postgraduate Dean, the postholder will be offered first-rate experience and exceptional training under close supervision and opportunities to experience outpatient care in the above departments.

There is currently a full shift system in place, which qualifies to payband 1B.

Grade, payscale and rota will depend on the suitability and previous experience of the applicant, but is expected on the CT1 or ST3 scale.

Informal enquires are welcomed by contacting the Resourcing team at James Cook University Hospital, Marton Road, Middlesbrough, TS4 3BW. Telephone: 01642 850850 extension 55624.

It is strongly recommended that you complete and return your application as soon as possible. The vacancy may be expired when sufficient suitable applicants have been received

Closing date: 28 June 2016

**ONLY SHORTLISTED CANDIDATES WILL BE CONTACTED BY EMAIL.**
Consultant in Older Persons Services/Clinical Director

Middlesbrough - Care of the Elderly (South Tees Hospitals NHS Foundation Trust)

Salary: National Pay Scales Apply  Job Type: Permanent
Reference: 328-C02022  Closing Date: 30 Jul 2016

The Department of Older Persons Service within The Community Care Centre is looking to appoint 1 Consultant Physician with an interest in Care of the Older Person. This post will also encompass the Clinical Director role for the Care of the Older Persons services as well as strengthen the Consultant Team at South Tees Hospitals NHS Foundation Trust.

The purpose of this post is to enable the Trust to expand and support the Care of the Older Persons Units with a strong therapy input to support elderly patients with acute illness to recover and return home in a timely fashion. Our aim is to be an innovative and responsive provider, delivering high quality integrated care to make a positive difference to the health, well-being of the elderly population. The Centre Senior Management and Nursing Team provide a forward-thinking clinical and professional leadership ensuring that nursing care is delivered to a high standard, with particular emphasis on dignity and compassion. This team work closely with the Clinical Director and Consultants in developing the service strategy and business plan.

Within the Older Persons Service we are developing services and clinical pathways to encompass acute older persons care, orthogeriatric services, community hospital pathways and potential input into a community hub being commissioned by the CCG.

Please see the full job descriptions on line and visits to the unit are strongly encouraged, to fully appreciate the harmonious working relationships across the Trust and specifically how these developments in acute medical and older persons pathways would make working in this unit a fulfilling career in older persons medicine.

South Tees Hospitals NHS Foundation Trust is an organization with real ambition, often found leading on new ideas and innovation. This role is key to securing and building our future success within the Centre. We are one of the largest Trusts in England, comprising of the James Cook University Hospital, Middlesbrough and the Friarage Hospital, Northallerton. The James Cook University Hospital is a major tertiary and teaching centre with over 1,000 beds, serving a largely urban population. It provides comprehensive regional specialties including Cardithoracic Surgery, Neurosurgery, Maxillofacial Surgery, Plastic Surgery, ENT and Ophthalmic Surgery. It is a regional centre for Spinal Injury, Upper GI and Vascular Surgery. All other major specialties are catered for. The Friarage Hospital, Northallerton, serves a population of 120,000 covering 1,000 sq miles of rural North Yorkshire, and provides local medical services for the area. The Community Care Centre is responsible for the care of the elderly in South Tees area (Middlesbrough, Redcar and East Cleveland) and in adjacent areas of North Yorkshire - approximately 42,000 people over retirement age and 21,000 over the age of 75 years.

Recently rated as one of the best in the country for patient safety and one of the top 40 hospitals by CHKS for the tenth year running, the Trust is one of the largest Foundation Trusts in England. Working in the North East offers an excellent quality of life. This area boasts great transport links with easy access to a beautiful coastline/countryside and a great range of local amenities, shopping and nightlife.

Applicants should possess full GMC registration, MRCP (or equivalent) and either already be on the Specialist Register or be within 6 months of receiving their Certificate of Completion of Training (CCT) at the time of interview.

The successful candidate will be appointed under the current terms and conditions of service for NHS Consultants. Full consideration will be given to applicants who wish to apply for a reduced/part time contract.

For further information about the post or to arrange an informal visit, please contact Dr Sath Nag Medical Director, Community Care on 01642 854307. For queries relating to your application or the process, please contact Judith Christoffersen, Interim Service Manager on 01642 53684
Applications are invited for the position of Clinical Fellow in Cardiothoracic Surgery. The post is to start or as soon as possible for 12 months, with the view to a possible extension (following satisfactory annual appraisal).

The successful candidates will participate in the same rota as the eight other higher surgical trainees (national and non-national), currently 1A and enjoy similar training opportunities. The unit undertakes over 1100 cardiac operations and around 600 thoracic operations per year. The unit specialises in minimally invasive cardiac and thoracic surgery.

The post will suit a candidate who fulfils the criteria for appointment as a Specialty Registrar in Cardiothoracic Surgery, or equally to someone who is looking for further experience to fulfil those criteria.

South Tees NHS Foundation Trust is the 5th largest in the country and provides a comprehensive range of medical and surgical specialties.

Previous experience in the speciality is essential. A postgraduate qualification is desirable. Full GMC registration is required.

Salary: Current ST3 grade, depending on experience. The post is subject to the Trust Terms and Conditions.

Previous candidates need not reapply

Full details and application form available online on NHS Jobs ref: 328-CF-CTS-12B

Candidates are encouraged to contact Jonathan Ferguson, Consultant Cardiothoracic Surgeon on Tel: 01642 282885 or Mr Ralph White, Consultant Cardiothoracic Surgeon on Tel: 01642 854242 for more information on the above vacancy.

Alternatively, contact a current Clinical Fellow via switchboard (bleep 5293).

PLEASE NOTE THAT WE CONTACT ALL APPLICANTS VIA EMAIL AND WOULD ADVISE YOU TO CHECK YOUR EMAILS REGULARLY.

James Cook University Hospital - OrthoGeriatrics (South Tees Hospitals NHS Foundation Trust)
Salary: Current NHS Consultant terms and conditions  **Hours Per Week:** 10 PA contract  **Job Type:** Permanent
Reference: 328-A-16-22119  **Closing Date:** 12 Jul 2016

The Department of Older Persons Service within The Community Care Centre is looking to appoint 1 Consultant Physician with an interest in orthogeriatrics.

The purpose of this post is to enable the Trust to expand and support the Care of the Older Persons Units with a strong therapy input to support elderly patients with acute illness to recover and return home in a timely fashion. Our aim is to be an innovative and responsive provider, delivering high quality integrated care to make a positive difference to the health, well-being of the elderly population. Within the Older Persons Service we are developing services and clinical pathways to encompass acute older persons care, Orthogeriatric services, community hospital pathways and potential input into a community hub being commissioned by the CCG. The Centre Senior Management and Nursing team provide a forward-thinking clinical and professional leadership ensuring that nursing care is delivered to a high standard, with particular emphasis on dignity and compassion. This team work closely with the Clinical Director and Consultants in developing the service strategy and business plan.

South Tees Hospitals NHS Foundation Trust is an organization with real ambition, often found leading on new ideas and innovation. This role is key to securing and building our future success within the Centre. We are one of the largest Trusts in England, comprising of the James Cook University Hospital, Middlesbrough and the Friarage Hospital, Northallerton. The James Cook University Hospital is a major tertiary and teaching centre with over 1,000 beds, serving a largely urban population. It provides comprehensive regional specialties including Cardiothoracic Surgery, Neurosurgery, Maxillofacial Surgery, Plastic Surgery, ENT and Ophthalmic Surgery. It is a regional centre for Spinal Injury, Upper GI and Vascular Surgery. All other major specialties are catered for. The Friarage Hospital, Northallerton, serves a population of 120,000 covering 1,000 sq miles of rural North Yorkshire, and provides local medical services for the area. The Community Care Centre is responsible for the care of the elderly in South Tees area (Middlesbrough, Redcar and East Cleveland) and in adjacent areas of North Yorkshire - approximately 42,000 people over retirement age and 21,000 over the age of 75 years.

Recently rated as one of the best in the country for patient safety and one of the top 40 hospitals by CHKS for the tenth year running, the Trust is one of the largest Foundation Trusts in England. Working in the North East offers an excellent quality of life. This area boasts great transport links with easy access to a beautiful coastline/countryside and a great range of local amenities, shopping and nightlife.

Applicants should possess full GMC registration, MRCP (or equivalent) and either already be on the Specialist Register or be within 6 months of receiving their Certificate of Completion of Training (CCT) at the time of interview.

The successful candidate will be appointed under the current terms and conditions of service for NHS Consultants. Full consideration will be given to applicants who wish to apply for a reduced/part time contract.

Please see the full job descriptions on line; visits to the Centre are strongly encouraged, to fully appreciate the harmonious working relationships across the Trust and specifically how these developments in acute medical and older persons pathways would make working in this a fulfilling career in older persons medicine.

For further information about the post or to arrange an informal visit, please contact Dr Sath Nag Medical Director, Community Care on 01642 854307. For queries relating to your application or the process, please contact the Human Resources Department on 01642 850850.
